iciar@icicleta.com <http://icicleta.com>
07943743401

PROFILE

A trustworthy, through and responsible person, able to work with constraints. Organized, able to manage the time well and work on own initiative. Flexible and able to respond quickly to changes.

EMPLOYMENT

August 2012 - Sep 2013 - **FlatNav** 36 Gloucester Avenue, NW1 7BB
Front End Developer

As a Front End Developer, my main responsibility is for the production, modification and maintenance of FlatNav website and web application's user interfaces.

This involves working closely with designers, in using semantic mark up language i.e. XTMTL/CSS, to turn their static Photoshop designs into working browser based web pages.

October 2011 - May 2012 - **Bullington Capital** 36 Gloucester Avenue, NW1 7BB
Front End Developer

Part of the team to create a Finance application. In charge of convert designs into html and css. Also implementation of features using javascript and JQuery. A bit of Object Orientated Programing and use of repository Git.

July 2010 - October 2011 - **Selfemployer**
Front End Developer

Building a website for the aerialist and musician Anna Abrams.
<http://annaabrams.eu>
